National Constitution Center

Independence Mall  
Philadelphia, PA 19106

A treasured event in the region's cultural community, Settlement Music School's 115th Anniversary Celebration brings 400 of the area's top corporate and community leaders together for an evening celebrating community music with cocktails, dinner, and dancing, and, best of all, performances by some of our outstanding Settlement students. This year, please join us at the National Constitution Center, America's leading platform for constitutional education and debate.

Proceeds from the Celebration benefit Settlement programs and the financial aid that makes these programs attainable for all, regardless of background, level of ability, or financial means. Sixty percent of Settlement students receive aid, valued at \$2.6 million.

We will celebrate the extraordinary contributions of Board Chair **Ellen Friedell** and Board President **Justin Klein**, dedicated leaders, who both started their service inspired by their own family's involvement at the School and who have a combined 30+ years of Board service.

**Ellen Friedell**, founder of FFG Law and Reaching Agreement, previous Associate General Counsel for Rohm and Haas and senior trial lawyer with the federal government, is the immediate past Chair of the Board of the Public Interest Law Center. She has continually brought her legal expertise, her persistence, and her tenacious enthusiasm to her support and advocacy for Settlement Music School.

**Justin Klein**, Director of the Weinberg Center for Corporate Governance at the University of Delaware, and senior counsel at Ballard Spahr, currently serves on the board of the Mann Center for the Performing Arts and as Board Chair at Pomfret School. Justin's commitment to governance, philanthropy, and his expertise in building connections for the benefit of the School have helped Settlement to thrive.

We invite you to join us for this very special evening, to celebrate these impactful leaders, and to support our mission of accessible, creative arts education for all.
