

Dear Musicians,

We are excited to present our Adult Chamber Players/Adult Orchestra program for 2026-2027!

In the ACP program, you will be paired with different musicians of similar ability for each session and will sightread from the repertoire. Refreshments are served at breaktime to give participants an opportunity to get to know each other.

The Monday evening program differs in that ensembles are assigned at the beginning of the year and work on the same repertoire for the season. They give an informal performance at the end of the year. There is not a refreshment break in the Monday evening program.

The Adult Orchestra prepares repertoire for two concerts, one in January and one in May. Enrollment in the orchestra is by section and is open until all slots in a section are filled. Once a section is filled, interested members will be placed on a wait list and contacted by Settlement administration when there is an available opening. Current members will be given a two-week priority period to enroll and secure their spots before new members can enroll.

The attached document has pertinent information including dates, times, and locations for each series.

The link below will take you to an online registration form. You will be billed for tuition via PayPal after you have completed the form and the Branch Staff has processed it. You may also pay via check, cash, or credit card by calling the Willow Grove Branch at (215)320-2630. Payment must be completed prior to the first session.

We hope that you will invite others to join us. You can share the ACP Video link below on your social media page. Interested musicians can reach out to me at beth.dzwil@settlementmusic.org.

Have a great summer and I look forward to seeing you in the fall!

Warmly,
Beth
